

Dear Client,

We appreciate the opportunity of working with you, and advising you, regarding your income tax.

The Internal Revenue Service imposes penalties upon taxpayers and upon us, as tax preparers, for failure to observe due care in reporting for income tax returns. ALL SELF EMPLOYED INDIVIDUALS MUST PROVIDE THE DOCUMENTATION OF ALL INCOME AND EXPENSES BEING REPORTED.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. In order to ensure and understand our mutual responsibilities, we ask all our clients for whom we prepare tax returns to confirm the necessary arrangements.

We will prepare your Federal and required State Income Tax Returns from the information, which you provide to us. We will make no audit or verification of the data you submit, although we may need to as for clarification on some of the information. It is your responsibility to provide us with ALL the information required for the preparation of complete and accurate returns. You should retain all the documents, cancelled checks and other data necessary to prove the accuracy and completeness of the return to the IRS.

You have the final responsibility for the Income Tax returns and therefore, you should review them carefully before you sign them. Our work in connection with the preparation of your Income Tax Return does not include any procedures designed to discover misrepresentation or other irregularities, should any exist.

We will render such accounting and bookkeeping assistance, as we find necessary for preparation of the income tax returns.

Your returns may be selected for review by the IRS. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available, upon request, to represent you and will render additional invoices for the time and expenses incurred. Our fee for those services will be based upon the amount of time required at our standard billing rates. All invoices are due upon request.

All clients are required to pay for services rendered at the time of their visit. Our fee is not contingent on you getting a refund. If you select our fee to be paid from your refund, and we are not paid, you still owe us our fee. Also, you are given a copy of your return upon completion. Any additional copies will be a \$25 charge.

Special Note: Please be sure to inform us of any foreclosure, short sale, or debt forgiveness, as well as any unemployment or disability benefits received throughout the year.

It has been our pleasure to work with you. Thank you for choosing MB Accounting	and Tax Service.
Sincerely,	,
Kristen Blazevich Hobbs and Mary K. Blazevich
